

## THE BEST VIEW AT THE BEST PRICE

Situated at the top of Cerro da Piedade, in one of Albufeira's most privileged locations, **Hotel Mar à Vista** offers you the most breathtaking view over the city and the vast string of beaches along the coast. If you're looking for a unique feeling of tranquillity overlooking the sea, this is the best option, not only because it's in a location away from the hustle and bustle, but also because it's only a few minutes away from the fine sand characteristic of our beaches.

At the hotel you can enjoy a tasty breakfast, savour a refreshing drink at the bar or even take a stroll through Albufeira's historic streets where you'll find many restaurants and cafés.

Its central location makes the Mar à Vista the perfect choice for those looking to discover regional gastronomy and/or experience the dynamism of the city. Today, Albufeira and its municipality are one of the country's main tourist centres, offering around 30km of coastline and more than two dozen beaches that are very diverse in terms of both their natural setting and their tourist offer. As a major international centre, Albufeira stands out for its rich and diverse cuisine.
